About Our Company

BB Infrac Established in the year 2025 is one of the leading Supplier, Stockist and Exporter of optimum quality of Ferrous & Non-Ferrous Products in Mumbai, India. Our product range includes Pipes & Tubes, Pipe Fittings, Bars & Rods, Flanges, Sheets/Plates, Wire, Fasteners, etc. All these products are available in various materials like Stainless Steel, Duplex Steel, Super Duplex Steel, Carbon Steel Inconel, Hastelloy, Monel, Nickel Alloy, and many ferrous and non-ferrous metals. These ferrous and non-ferrous products are sourced from qualified and certified manufacturers of the industry. By utilizing specialized tools, machines and facilities, our manufacturers specifically design both ferrous and non-ferrous goods in compliance with national and international quality requirements.

Our Vision

We help customers develop their energy resources, bringing world class capability and delivering it locally. We promote commercial arrangements that are aligned to our customer's needs, allowing us to deliver more value to the customer while increasing the returns from our most precious asset — our people.

Our Mission

To build a forward-thinking corporation in the ferrous and non-ferrous metals industry. To become increasingly well-known for our superior product quality and great customer service.

Our Quality

Product quality is a paramount factor that significantly influences consumer satisfaction and brand reputation. A product's quality is a multifaceted concept that encompasses various aspects, including durability, performance, safety, and overall functionality. High-quality products not only meet but often exceed customer expectations, demonstrating reliability and superior craftsmanship.
